Re: OPINION OF MARKET VALUE

Thank you for the opportunity to perform a rental market appraisal of your property situated at:

29A Russell Avenue, Norman Park, QLD, 4170

When assessing the rental value of a property, we take into account factors that assist in leasing the property promptly. This includes a comparison of similar properties, current vacancies and market trends. Obtaining a realistic rental value ensures that your property is let as quickly as possible for a better financial return on your investment. We have researched your immediate area for comparable properties to arrive at a price. We estimate the property would achieve a rental income of approximately \$950 - \$1,000 per week.

Please find below the comparative market analysis:

- | | |
|-----------------------------------|---|
| • 39B Albert Street, Camp Hill | - 3 Bed, 2 Bath, 2 Car = \$925 per week |
| • 71 Muir Street, Cannon Hill | - 4 Bed, 2 Bath, 1 Car = \$1,100 per week |
| • 61 Tennyson Street, Norman Park | - 4 Bed, 2 Bath, 2 Car = \$1,100 per week |
| • 208 D'arcy Road, Seven Hills | - 3 Bed, 1 Bath, 1 Car = \$1,100 per week |

It is important to note that this appraisal should be treated as a constructive guide and the right marketing process and timing of going to market will determine the maximum price you could achieve and does not take into account the last rental increase on the property in line with legislation.

If we can support you with anything in the future, please feel free to contact us on 07 3107 6999. Alternatively, we welcome you to come into our office for a coffee and a chat at any time.
